Someone, Gail Griffiths, put forward the Parish for an award in the

National Celebration Day Awards 2022

It was for **Services to the Community** –
To be eligible for nomination the individual or organisation should have made a noteworthy contribution by either establishing or participating in an organisation or service of on-going benefit to the community.
The contribution may be in any field considered appropriate by the Committee and should have been made over a number of years.

WE WON! So on Tuesday evening Gail and I will be going to the RSL in Nambucca at 6.00 pm to collect the award from the Nambucca Valley Council on behalf of the Parish. Please join us if you are able as we celebrate something so full of HOPE for the future! Revd Pete

HOW PRECIOUS, O GOD, IS YOUR ENDURING KINDNESS. Psalm 36.7

Thank you, Lord for –

- Your merciful kindness, your unfailing love.
- Your revelation through the Scriptures – Old and New Testaments.
- Your invitation to worship and to hear the teachings of Jesus.
- Your Spirit who brings unity in diversity and wholeness out of individuality.
- Your joy and holiness which promises relief in our grief and sorrows.

Please pray for –

- Strength and trust in God, especially in adversity.
- Understanding and nourishment from studying the Scriptures.
- Generous application of God's gifts and talents in our families, church and community.
- An eager desire for God's greater gift – the way of love.
- A church worldwide that faithfully upholds the teachings of Jesus.
- A world that is in harmony, including all in the shared resources of the earth.
- A local community that cherishes life together and appreciates the contributions of all its members – paid workers and volunteers, the young and the old, the prominent and the marginalized.
- Swift aid and recovery in Tonga following the volcanic eruption and tsunami.
- Clear direction for our parish's contribution towards the Tongans' appeals for help.
- The equitable distribution of COVID-19 vaccines; the accurate dispersal of COVID-19 information.
- The cohesiveness and resourcing of Australia's health systems; the provision and protection of health workers during the COVID-19 pandemic.
- The safety of residents and staff members in aged care homes, particularly Pacifica, Riverside Gardens and Autumn Lodge.

When we see these names above, what do we think?

Do we think of these things with pride, that they provide an essential service in our local community? **We should!**

They are **all** providing much needed services to our local communities and have been recognized by our local council - see back page article on the National Celebration Day Awards 2022.

Our two Op Shops provide excellent services - and service - but also provide financial support to the parish.

We are looking for some new **volunteers** to help in our Op Shops. Everyone I speak to says it is great fun to work there. I know, I tried it, it's true! The Food Hubs and Jimmy's Kitchen could use some extra volunteers too!

If you would like to volunteer, please call me on 0439 770 487. You'd be very welcome.

Revd Pete
